CASE NO. C19-0318JLR

ORDER SETTING CLASS
CERTIFICATION BRIEFING
SCHEDULE

Before the court is the parties' joint submission regarding a class certification briefing schedule. (JSR (Dkt. # 86).) Having considered the submission, the court ADOPTS the parties' proposed class certification briefing schedule with one alteration and ORDERS that briefing on class certification shall proceed as follows:

Date	Event
November 9, 2020	Answer to complaint
April 22, 2021	Disclosure of Plaintiffs' class certification expert reports
June 17, 2021	Disclosure of Defendants' class certification expert reports

July 29, 2021	Close of discovery on class certification
August 30, 2021 ¹	Class certification motion
October 7, 2021	Response to class certification motion
November 4, 2021	Reply to response to class certification motion

(See JSR at 2.)

The court will set further case schedule deadlines pursuant to Federal Rule of Civil Procedure 16(b) after ruling on the motion for class certification. Counsel for Plaintiff(s) shall inform the court immediately should Plaintiff(s) at any time decide not to seek class certification. The dates set in this scheduling order are firm dates that can be changed only by order of the court, not by agreement of the parties. The court will alter these dates only upon good cause shown. The failure to complete discovery within the time allowed will not ordinarily constitute good cause. As required by LCR 37(a), all discovery matters are to be resolved by agreement if possible. In addition, pursuant to Federal Rule of Civil Procedure 16, the Court “direct[s] that before moving for an order relating to discovery, the movant must request a conference with the court” by notifying Ashleigh Drecktrah at (206) 370-8520. *See* Fed. R. Civ. P. 16(b)(3)(B)(v).

Dated this 4th day of November, 2020.
